On September 3, 2020, the U.S. Probation Office filed an Amended Petition for Warrant for Person Under Supervision against Defendant Cesar Ramos specifying violations of the terms of his supervised release. Defendant has remained in custody since his arrest on the petition, waiving formal findings on detention on September 15, 2020.

This matter came before the Court on October 19, 2020 to address Defendant's continued custodial placement in light of questions raised about his status as an adult. The Court intends that Defendant remain in custody and be transferred to an appropriate juvenile detention facility if he is released from his current placement at the San Francisco Juvenile Detention Center. However, if no such facility is available at that time, Defendant may be released on the condition that he reside at the Huckleberry House or other juvenile shelter facility, with electronic monitoring to be implemented at the
